FROM: RUTHE HOLDEN 
CHIEF AUDITOR, MANAGEMENT AUDIT SERVICES

SUBJECT: STATUS OF OPEN AUDIT RECOMMENDATIONS AS OF
APRIL 30, 2007

ISSUE

At the March 2005 Executive Management and Audit Committee meeting, the committee requested that the status of all open audit recommendations be reported monthly. This includes audits performed by Management Audit Services (MAS) and, in compliance with MAS 1, external audits performed by outside auditors.

DISCUSSION

MAS' monthly audit follow-up report includes all open audit recommendations related to findings reported by Financial Audit, Information Technology (IT) Audit, Operational Audit, and outside auditors; statistics on the number of recommendations closed or completed since the last report; and a summary of audit activities in Contract Audit and Grant Audit.

During the month of April 2007, MAS issued one report, Audit of Software License Policy and Procedures (06-ITS-I09), containing two recommendations which are included in Attachment A as items 8 & 9. The Office of the Inspector General issued two reports, Audit of Miscellaneous Expenses for the Period of July 1, 2006 to September 30, 2006 (07-AUD-04), which did not contain any recommendations, and Audit of Equipment Inventory Procedures (07-AUD-03) containing six recommendations which are included in Attachment A as items 2 - 7.

Two of the open recommendations were closed or completed during April. One recommendation has a status of "under review." This indicates that the audit client has submitted documentation that is being analyzed to verify that all of the recommended actions are complete. We are actively working with staff to close each recommendation as

quickly as possible. The total open recommendations as of April 30, 2007 are included in Attachment A.

The following table summarizes the follow-up activity for audit recommendations during April 2007.

Table 1

Chief Real Property Management & Development		1	1	2	4
Chief Planning Officer			2	5	7
Chief Operating Officer			11	4	15
Totals	2	1	23	20	44

Contract Audit conducts audits related to pre-awards, change orders, and incurred costs, as well as providing support for claims, contract closeouts and contract related litigation. Grant Audit conducts closeout audits of projects funded by the Call-for-Projects.

During April 2007, three audits were closed for the Contract Audit group, and 52 audit reports remain open pending the results of negotiations. Grant Audit had one audit report in the draft audit stage.

NEXT STEPS

Management Audit Services will provide the next monthly status report for the period ending May 31, 2007.
