SUBJECT: TRAVEL SHOW SPOTLIGHTS METRO

ISSUE

Attached is a DVD copy of this month's popular Globe Trekker television show, an adventure travel series which airs on PBS stations in America and is broadcast throughout the world. Los Angeles is featured this month and the host relies heavily on Metro for her explorations. Both Metro Rail and Metro Rapid are featured, and the host repeatedly applauds public transit in Los Angeles.

Metro worked closely with the producers of the series last fall. The show began airing this month.

Enjoy.
