EXECUTIVE DIRECTOR, ENGINEERING AND CONSTRUCTION

**SUBJECT: THE PROCUREMENT OF THE NORTH COUNTY MULTIMODAL
INTEGRATED TRANSPORTATION STUDY (NCMITS)**

ISSUE

On March 19, 2014, a Request for Proposal for NCMITS was issued using the Countywide Planning Bench Contract. The original procurement was cancelled in January 2014 because none of the proposals, as determined by the North County Transportation Coalition Technical Advisory Committee, adequately addressed the Statement of Work. A new solicitation for the North County Multimodal Integrated Transportation Study has now been reissued. Proposals are due April 30, 2104 and, subject to receiving a successful proposal, the Notice to Proceed is expected to be issued during July/August 2014.

Please be advised that we are currently in the "blackout" period. During the blackout, please refer any questions regarding the solicitation to the Office of the CEO.
