**SUBJECT: DRAFT 2014 SHORT RANGE TRANSPORTATION PLAN-
COMMUNITY OUTREACH**

ISSUE

We are in the process of conducting community outreach on the Draft 2014 Short Range Transportation Plan (SRTP). Outreach meetings have been scheduled for COGs and for various communities across Los Angeles County. This is to provide you a status of SRTP outreach meetings.

BACKGROUND

Since mid-April, we have been conducting outreach meetings on the Draft SRTP. Earlier this week, a notice was sent out to interested parties to remind them of upcoming community meetings. The notice may have caused some confusion as to what meetings have already taken place and what meetings are scheduled in the coming week. Attached for your information is the complete list of all meetings, past and present, that are scheduled with the communities and COGs for the Draft SRTP.

Additionally, we plan to extend the public comment period through June 18th in order to give COGs and the public additional time to review the Draft SRTP.

NEXT STEPS

We will conduct the upcoming community meetings and COG meetings as shown on the attached schedule. Upon completion of the public review period, we will return to the Board in July for final SRTP action.
