SUBJECT: CONSENT DECREE QUARTERLY REPORT

Attached for your review is the most recent copy of the Executive Summary of the Consent Decree Quarterly Report. The detailed volumes of the report are on file and are available for your review by contacting Michelle Caldwell at (213) 922-2452.

Despite the fact that the interpretation of our obligations is still being determined by the U.S. Court of Appeals, we are very satisfied with our progress in meeting our understanding of the consent decree load factor targets. We are continuing to monitor and adjust service as necessary to ameliorate instances of overcrowding.

If you have any questions, please call Michelle Caldwell or me at (213) 922-7433.
