AB 273 (Kuykendall), a bill to restructure the MTA Board, did not receive the requisite number of votes to pass out of the Assembly Committee on Wednesday, January 24. The tentative vote count is attached.

Assemblyman Kuykendall has indicated he may ask for reconsideration, but to do so he would need to request a rule waiver from the Assembly Rules Committee and concurrence from the floor of the house. At this time, Assemblyman Kuykendall has not made this formal request.

Staff will keep you informed if there is a request of reconsideration. Attached is a list of phone numbers should you want to call members of the Appropriations Committee to reaffirm the MTA's oppose position on AB 273.

If you have any questions, please contact Gary Clark at (213) 922-2226 or Claudette Moody at (213) 922-2237.
