SUBJECT: METRO ART BOOKMARKS

ISSUE

Attached are copies of the second series of bookmarks commissioned by Metro Art in honor of National Poetry Month. These bookmarks will be distributed throughout the Metro Bus and Metro Rail system as well as at local Los Angeles County and City libraries; they will also be featured on the County library and MTA web sites. The bookmarks encourage people to use the Metro system when traveling to their public library.

Artists and poets from throughout the country teamed up to submit proposals for this project and the winners were selected by a panel of arts professionals.
