TO: BOARD OF DIRECTORS

THROUGH: ROGER SNOBLE 
CHIEF EXECUTIVE OFFICER

FROM: RUTHE HOLDEN 
CHIEF AUDITOR, MANAGEMENT AUDIT SERVICES

SUBJECT: STATUS OF OPEN AUDIT RECOMMENDATIONS AS OF
SEPTEMBER 30, 2006

ISSUE

At the March 2005 Executive Management and Audit Committee meeting, the committee requested that the status of all open audit recommendations be reported monthly. This includes audits performed by Management Audit Services (MAS) and, in compliance with MAS 1 (the policy that replaced GEN 19 as of September 27, 2006), external audits performed by outside auditors.

DISCUSSION

MAS' monthly audit follow-up report includes all open audit recommendations related to findings reported by Financial Audit, Information Technology (IT) Audit, Operational Audit, and outside auditors; statistics on the number of recommendations closed or completed since the last report; and a summary of audit activities in Contract Audit and Grant Audit.

During the month of September 2006, the Office of the Inspector General issued two new audit reports. The first report, Audit of Miscellaneous Expenses (06-AUD-14) for the period of January 31, 2006 to March 31, 2006, did not contain any recommendations. The second report, Disposal of Computer Equipment and Data Storage Media (06-AUD-12) contained six recommendations and they are included in Attachment A as items 4 through 9.

Thirteen of the open recommendations were closed or completed during September. Eight recommendations have a status of "under review." This indicates that the audit client has submitted documentation that is being analyzed to verify that all of the recommended actions are complete. We are actively working with staff to close each recommendation as

quickly as possible. The total open recommendations as of September 30, 2006 are included in Attachment A.

The following table summarizes the follow-up activity for audit recommendations during September 2006.

Contract Audit conducts audits related to pre-awards, change orders, and incurred costs, as well as providing support for claims, contract closeouts and contract related litigation. Grant Audit conducts closeout audits of projects funded by the Call-for-Projects.

During September 2006, nine audits were closed for the Contract Audit group, and 26 audit reports remain open pending the results of negotiations. Grant Audit issued one final report and had three audit reports in the draft audit stage.

NEXT STEPS

Management Audit Services will provide the next monthly status report for the period ending October 31, 2006.

30	06-CMS-006	5/25/2006	MAS	Rail Vehicles and Facilities Leasing to the Entertainment Industry	CCO/Public Relations	2	All transactions, including cancellations and public service projects, should be accounted for and supported even when not entered into the financial records. Using sequentially pre-numbered contracts and maintaining the files in sequence as well as listing them in the same order in the Excel spreadsheets could accomplish this. In addition, receipts provided by Treasury should be part of the documentation to provide evidence that payments were submitted for deposit and recorded in the financial records. All cancelled and Public Service transactions should be signed off by Public Relations management to verify that no funds were involved in that transaction or that the event was actually cancelled.	8/15/2006		Under review.

33	06-INTP-TCBA	5/10/2006	MAS (O)	Report on the Immediate Needs Transportation Program (INTP)	CPO/Planning	3.1	We recommend LACMTA consider significantly reducing or eliminating the \$7 taxi voucher program, but maintain the variable taxi voucher program for emergency transportation needs only.	6/30/2007		
34	06-INTP-TCBA	5/10/2006	MAS (O)	Report on the Immediate Needs Transportation Program (INTP)	CPO/Planning	4.1	We recommend that a penalty clause be included in contracts with taxicab companies to impose penalties or sanctions when overcharges are found in billings.	6/30/2007		
35	06-INTP-TCBA	5/10/2006	MAS (O)	Report on the Immediate Needs Transportation Program (INTP)	CPO/Planning	4.2	We also recommend that LACMTA consider conducting a one-time full audit of taxi vouchers to identify those cab companies that are abusing the taxi voucher program by overcharging for taxi fares. The LACMTA should then seek reimbursement for the overcharges.	6/30/2007		
36	06-INTP-TCBA	5/10/2006	MAS (O)	Report on the Immediate Needs Transportation Program (INTP)	CPO/Planning	5.1	We recommend that administrative fees paid to the brokers should be reassessed after changes to the program have been made.	6/30/2007
