TO: BOARD OF DIRECTORS

FROM: ROGER SNOBLE 

SUBJECT: GOODS MOVEMENT WORKSHOP

The issue of goods movement is one that is critical to the economic vitality, community well-being and environmental health of Los Angeles County. Metro has been playing a proactive role in the region through the Multi-County Goods Movement Action Plan, our support of various dedicated federal and state funding initiatives and the provision of funding to critical projects.

Through the Chair's Office, I will work with Board members to identify an appropriate date to hold a Board workshop on goods movement. The purpose of the workshop is to provide a status update on programs currently underway in the region as well as at the State and Federal levels, to clarify the relationship among these efforts and to further develop Metro's role in the goods movement arena.
