EXECUTIVE OFFICER'S REPORT COUNTYWIDE PLANNING AND DEVELOPMENT

PEDESTRIAN SAFETY PROGRAM

- As part of the Pedestrian Call for Projects Category, MTA funded a consortium of four Westside cities to implement a Pedestrian Safety Program (\$180K). The Westside cities have raised additional funds to fund this program for a total of \$389K
- The campaign is directed to: Increase pedestrian awareness and knowledge of safe street crossings practices; increase driver awareness of laws related to crosswalks and pedestrian rights of way and encourage mutual respect between pedestrians and drivers.
