

**Metro**

**OPERATIONS COMMITTEE  
JANUARY 18, 2007**

**SUBJECT: SAFETY VESTS**

**ACTION: AWARD CONTRACT FOR SAFETY VESTS**

**RECOMMENDATION**

Authorize the Chief Executive Officer to award a 36-month, firm fixed price contract under Bid Number 05-0002 to the following lowest responsive and responsible bidders for safety vests for an amount not to exceed \$2,131,615 inclusive of sales tax and a one-year option.

- A. R & R Supply Company for mesh type safety vests, line items 1 through 9 and 19 through 27, for a total contract value of \$848,476 inclusive of sales tax; and
- B. Calolympic Safety Company for fabric type safety vests, line items 10 through 18 and 28 through 36, for a total contract value of \$1,283,139 inclusive of sales tax.

**RATIONALE**

Changes in mandated design criteria require Metro to procure new compliant reflective safety vests for affected employees. Current Metro safety vests will be phased out with introduction of the new design. To increase visibility and safety for workers with traffic exposures, the Federal Transportation Administration adopted changes in reflective vest design criteria. These changes affect all business sectors nationally. This includes Construction, Service Industries, General Industry, Transportation, and specifically, Metro.

The new Metro reflective vests will substantially increase the visibility and safety of pedestrian employees by alerting approaching vehicle operators. This includes passenger cars, trucks, buses, trains, forklifts, and heavy equipment. Many Metro employees are exposed to traffic hazards on roadways, rail right of ways, subway tunnels, construction sites, and in Metro yards. Award of the contract for the new Metro reflective vests will increase the level of safety for employees, achieve compliance, and continue the necessary inventory supply of such vests. These improvements will be achieved while ensuring the lowest cost to Metro during this contract period.

The safety vests purchased will be maintained in inventory and managed by Material Management. Each of the Service Sector operating divisions and Rail divisions maintain safety vests in their stock rooms based on their individual consumption requirements. As

the safety vests are issued, the appropriate Sector's budget project numbers and accounts are charged.

### **FINANCIAL IMPACT**

The funding of \$241,243 for Safety Vests is included in the FY07 budget in cost centers 3503, 3508, 3515, 3601, 3609, 3706, 3707, 3710, 3802, 3805, 3818, Bus Maintenance/Operations under project numbers 301008, 302008, 303008, 304008, and 305008 Bus Maintenance, Line Item 50431 and rail cost centers 3941, 3942, 3943, and 3944, rail maintenance/operations under project numbers 300022, 300033, 300044, and 300055, Line Item 50215. Since this is a multi-year contract, the cost center manager and Executive Officer will be accountable for budgeting the cost in future fiscal years. In FY06 a total amount of \$193,769 for all cost centers was expended on this category.

### **ALTERNATIVES CONSIDERED**

The alternative is not to award the contract and continue to procure safety vests on an as-needed basis. This approach is not recommended since it does not ensure a fixed price or provide a commitment from the suppliers or the manufacturer to ensure availability on a timely basis with the new design and technical requirements.

**BOARD REPORT ATTACHMENT A-1  
PROCUREMENT HISTORY**

**SAFETY VESTS**

**A. Background on Contractor**

The responsive and responsible low bidder for the mesh vest, R & R Supply Company, is located in Los Angeles, California, and has been in the safety supplies business since 2003. R & R Supply Company also specializes in OSHA compliance, safety vest, uniforms and general merchandise. R & R Supply Company has provided safety supplies to other agencies including Los Angeles County and Los Angeles Airport (LAX). R & R has no past experience with Metro.

The responsive and responsible low bidder for the fabric vest, Calolympic Safety Company, is located in Corona, CA, and has been in the safety supplies business since 1958. Calolympic Safety Company specializes in OSHA compliance safety products, homeland security, safety training programs, ergonomic products, and emergency response agencies. Calolympic Safety Company has provided safety supplies to other agencies including MTA Long Beach, State of California, MWD, Riverside and San Bernardino County and City, City of Los Angeles (all areas), Fire and Police Department (all counties), County of Los Angeles (all areas), School Districts (all counties). Calolympic has provided satisfactory business with Metro in the past.

**B. Procurement Background**

In accordance with Procurement Policies and Procedures, the 17 bids submitted were evaluated by Metro Corporate Safety for compliance to the technical specifications and inspection and approval of the samples required.

The alternate bid submitted by Bidder #4, R & R Supply Company, for the mesh type vests, is determined to be the lowest responsive, responsible bid for this type of vests as set forth in Section C. Bidder #1 Rimpau Enterprises, Inc., Bidder #2 Security 20/20 were non-responsive to the technical specifications. Bidder #3 R & R Supply offered a foreign product which does not meet the Buy America requirements.

The bid submitted by Bidder #6, Calolympic Safety Company, for the fabric type vests, is determined to be the lowest responsive, responsible bid for this type of vest as set forth in Section C. Bidder #1 Rimpau Enterprises, Inc., Bidder #2 Security 20/20 were non-responsive to the technical specifications. Bidder #3 R & R Supply offered a foreign product which does not meet the Buy America requirements. Bidder #4, R&R Supply requested to withdraw their bid because they could not hold the price. Bidder #5, R&R Industries was non-responsive to the technical specifications.

The Diversity and Economic Opportunity Department did not recommend a participation goal for this procurement.

### C. Evaluation Criteria

Technical review and selection of the lowest responsive, responsible bidder.

- Bidder #1 Rimpau Enterprises, Inc., in the amount of \$476,252 for mesh and \$503,040 for the fabric, is not in full compliance to the technical and the bid specifications.
- Bidder #2 Security 20/20, in the amount of \$553,059 for the mesh and \$576,198 for the fabric is not in full compliance to the technical and the bid specifications.
- Bidder #3 R & R Supply Company (Alt. Bid) in the amount of \$711,488 for the mesh and \$14,006,567 for the fabric is not in compliance with the Buy America requirements.
- Bidder #4 R & R Supply Company, in the amount of \$848,476 for the mesh and \$900,742 for the fabric is in full compliance to the technical and the bid specifications.
- Bidder #5 R & R Industries, Inc. in the amount of \$997,185 for the mesh and \$1,015,477 for the fabric was non-responsive to the technical and bid specifications.
- Bidder #6 Calolympic Safety Company (Alt. Bid), in the amount of \$1,170,968 for the mesh and \$1,283,139 for the fabric is in full compliance to the technical and the bid specifications.
- Bidder #7 Extreme Safety in the amount of \$1,208,028 for mesh and \$1,328,232 for the fabric is in full compliance to the technical and the bid specifications.
- Bidder #8 U. S. Safety & Supply Company in the amount of \$1,320,901 for the mesh and \$1,331,703 for the fabric is in full compliance to the technical and the bid specifications.
- Bidder #9 Morton Safety Co., in the amount of \$1,044,095 for the mesh and \$1,359,476 for the fabric is in full compliance to the technical specification but submitted a conditional bid regarding the quantities that needed to be ordered.
- Bidder #10 BBR Surveying, in the amount of \$1,073,454 for the mesh and \$1,383,144 for the fabric is in full compliance to the technical and the bid specifications.
- Bidder #11 United Industries in the amount of \$1,075,656 for the mesh and \$1,400,517 for the fabric is in full compliance to the technical and the bid specifications.
- Bidder #12 KC Specialty Products, in the amount of \$1,106,000 for the mesh and \$1,439,085 for the fabric is in full compliance to the technical and the bid specifications.
- Bidder #13 Abatix, in the amount of \$1,345,462 for the mesh and \$1,448,960 for the fabric is in full compliance to the technical and the bid specifications.
- Bidder #14 Extreme Safety, (Alt. Bid) in the amount of \$1,122,892 for the mesh and \$1,449,672 for the fabric is in full compliance to the technical and the bid specifications.

Bidder #15 Calolympic Safety (Alt. Bid) in the amount of \$1,069,945 for the mesh and \$1,471,893 for the fabric is in full compliance to the technical and the bid specifications.

Bidder #16 Bidder #10 Medicine Chest Services, in the amount of \$1,082,197 for the mesh and \$1,487,998 for the fabric is in full compliance to the technical and the bid specifications.

Bidder #17 Equipment Direct, in the amount of \$1,124,927 for the mesh and \$1,551,369 for the fabric is not in full compliance to the technical and the bid specifications.

**D. Cost/Price Analysis Explanation of Variances**

The recommended bid price of \$848,476 and \$1,283,139 has been determined to be fair and reasonable, based upon adequate price competition, and selection of the lowest responsive and responsible bidder. The bid total is higher than the estimate because of the new design which requires a significant increase in reflective taping, quantity increases, multiple size requirements instead of "one-size-fits-all", weight of material increase and additional features such as a special equipment strap, more pockets, etc.
