Metrolink Safety Funding

WE MOVE that the MTA Board:

1. Approve the use of FY 07-08 surplus funds previously approved and allocated to Metrolink by the MTA Board (no impact on MTA FY 08-09 or FY 09-10 budgets), ~~consistent with Los Angeles County's share of Metrolink's budget~~ to pay for our share and advance other counties' shares (with appropriate reimbursement agreements) for LED signal upgrades, signal relocations, and other short-term safety enhancements approved by the Metrolink Board on January 9, 2009 (Item #9)
2. Direct the CEO to take all steps necessary to expedite related funding approvals and/or transfers
