Regular Board Meeting

The Eastside of Los Angeles is rich in culture and history, and the Spanish language has been a cornerstone of Boyle Heights and East Los Angeles. Several community members have requested that the MTA officially refer to the Edward R. Roybal Metro Gold Line Eastside Extension as "La Linea de Oro, Edward R. Roybal" to reflect this important heritage.

I, therefore, move that the Edward R. Roybal Metro Gold Line Eastside Extension be referred to as "La Linea de Oro, Edward R. Roybal".
