

New Silver Line 910 Implementation

Operations Committee
October 15, 2009

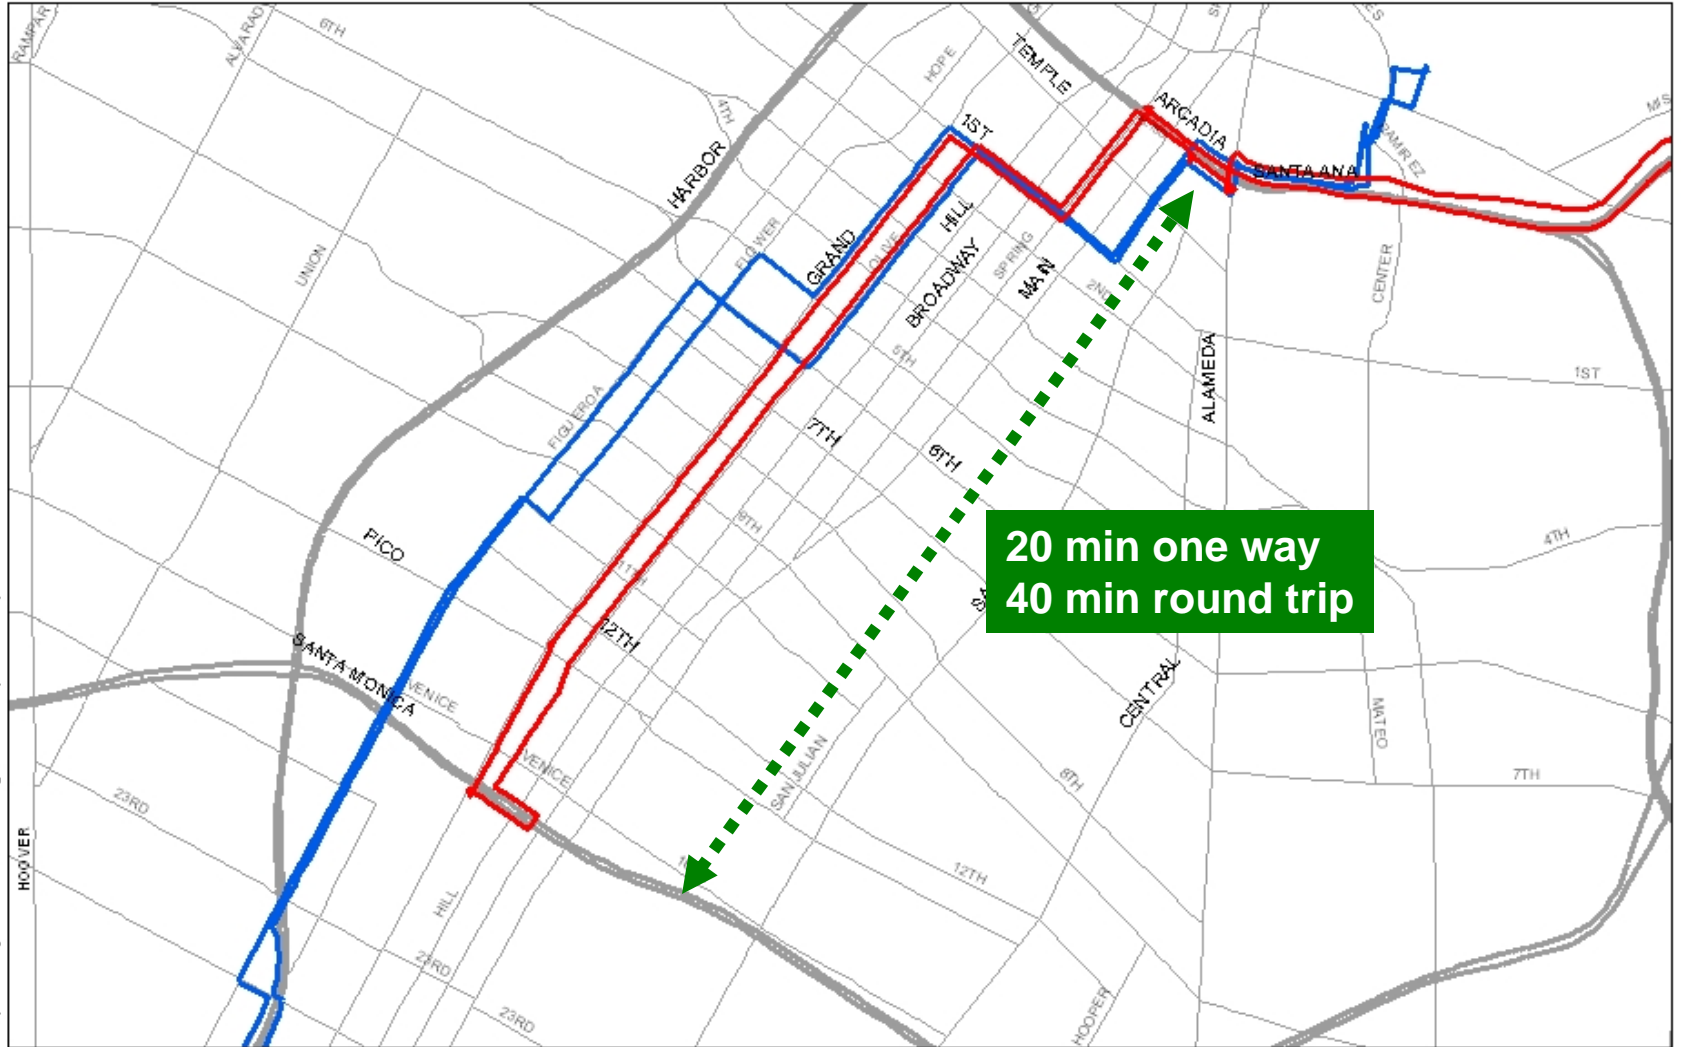

Silver Line 910 Concept

Benefits

- **Reduces Service Duplication**
 - Consolidate overlapping downtown routes
 - Eliminate 123 (30%) daily one-way bus trips in downtown Los Angeles
- **Improves On-Time Performance**
 - Shorter local feeder routes will operate more reliably
- **Reduces Metro Operating Expense**
 - 13,000 fewer annual revenue service hours
 - Projected annual operating cost savings of \$1,040,000

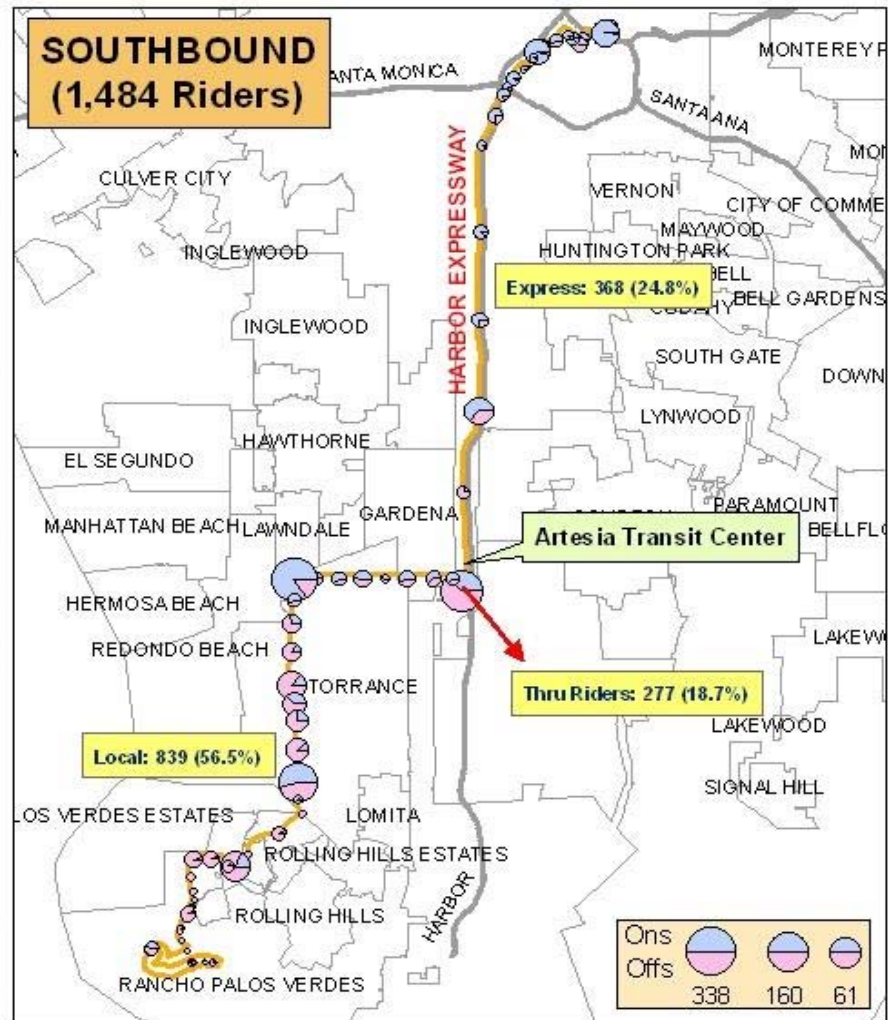

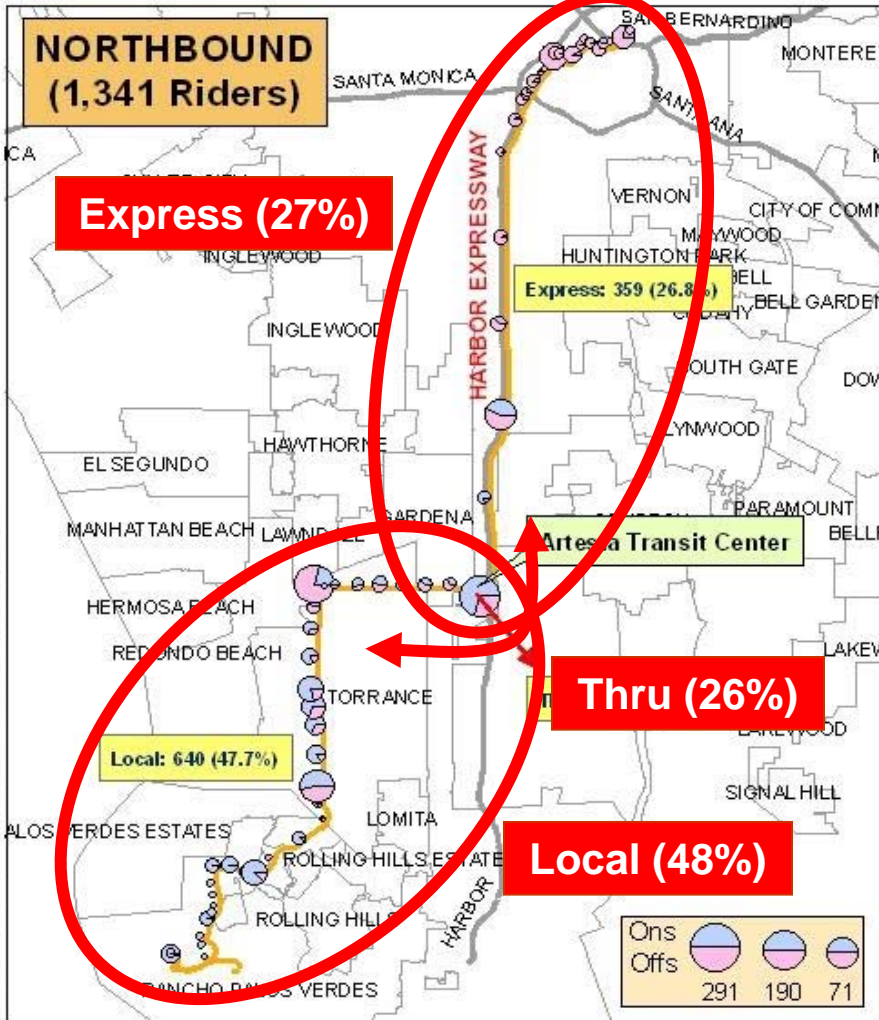

Downtown Duplication (444, 446/447, 484, 490)
