

MTA Board of Directors
December 10, 2009

MOTION
Supervisor Antonovich

Although unfunded and non-prioritized in the Long Range Transportation Plan (LRTP), the list of projects in the Strategic Portion of the LRTP should be reviewed, vetted and supported by the subregions of Los Angeles County.

I, THEREFORE, MOVE that the MTA Board directs the CEO to do the following:

- (1) send the Strategic Portion of the LRTP to each subregion in Los Angeles County—including the County of Los Angeles, the City of Los Angeles, the various Councils of Government, North County Transportation Coalition, etc. for review;
- (2) request a response from each aforementioned subregional entity by the March 2010 MTA Board meeting regarding the projects that should or should not be included in this portion of the LRTP, including any prioritization requests within each subregion; and
- (3) provide to the MTA Board a compilation of these projects for Board review with appropriate analysis and recommendations for consideration at the May 2010 MTA Board meeting to be amended into the adopted 2009 LRTP.
