1. APPROVED **Minutes** of Regular Board Meeting held June 30, 2003.
2. ADOPTED the Public Employees Retirement System (PERS) Resolution, which implements the provisions of Section 414(h)(2) of the Internal Revenue Code and defers state and federal income taxes on employee contributions to PERS for additional service credit.

County Counsel stated that as a result of legislation, effective January 1, 2004 employees who are active members of PERS with at least five years of earned service credit can purchase up to five additional years toward retirement and would pay the present value cost of the potential future retirement benefit. This legislation is at no cost to employers and is a pre-tax payroll deduction.

3. RECEIVED public comment.
