

Regular Meeting of Los Angeles Metropolitan Transit Authority was held on the above date in Room 810 at 433 South Spring Street, Los Angeles, California, on April 15, 1952.

Meeting was called to order by the Chairman at 3:10 P.M. with the following members present:

Fred S. Dean
H. C. McClellan
Walter J. Brunmark
Martin E. Pollard
Jim Wilson

Absent:

The minutes of previous meetings were read, and by unanimous vote, approved.

Telegrams from Frank Pace, Jr., Secretary of the Army, and Dan Kimball, Secretary of the Navy, stating they were unable to accept the invitation to meet with the Members of the Authority on April 21 on account of meeting to be held in Los Angeles on that date had been indefinitely postponed.

Mr. Pollard made report on finances, reading a letter from Governor Warren's office to the effect that no funds were available at this time for the purposes indicated.

It was suggested by Mr. McClellan that a personal meeting be arranged with the Governor for the purpose of informing him more fully of the needs of the Authority.

Mr. Pollard reported on conversations had with Members of the Board of Supervisors relative to obtaining an allocation of County funds; Mr. Dean reported on contact made with Supervisor Legg's office on the same subject, but with no definite response.

Recommendations were made by all Supervisors contacted that the first step to be taken was to get the legal opinion of the County Counsel as to whether the Board of Supervisors could legally make such appropriations, or have necessary items included in its annual budget.

Considerable discussion was had as to methods of financing the Authority. Mr. Pollard made an offer to advance a certain sum to carry on necessary operating expenses during the ensuing three-month period; also made offer of free use of office space for the Authority until permanent headquarters are established.

No action taken on the above.

After further discussion along same lines, Authority adjourned at 5:20 P.M.
