Report of Committee of the Whole - Agenda Item Nos.  
11 through 13

President Cook announced that at the request of Director Price, Agenda Item Nos. 11 through 13 would be considered out of order.

Director Price moved that the Committee of the Whole reports, Agenda Item Nos. 11 through 13, be approved, which motion was seconded and carried as noted below, and the following resolutions were adopted:

Ayes: Brewster, Cook, Gregory, Holen,  
Neusom, Price, Richter, Takei  
Noes: None  
Abstain: None  
Absent: Gibbs, Lewis, Ward

R-76-362

RESOLVED, that the General Manager is authorized to execute all documents necessary in connection with conveyance by quitclaim deed to the City of Huntington Park of the District's interest in the 30-foot strip of land located 15 feet on either side of the center line of Pacific Boulevard between Slauson Avenue on the north and Florence Avenue on the south in the City of Huntington Park, a legal description of which is attached to these Minutes as Exhibit 1, in consideration for City assuming responsibility for removal of rails; subject to approval of the Consulting Engineer, with form of all documents subject to approval of the General Counsel.

R-76-363

RESOLVED, that Requisition No. 2250-51 providing for extension of Felonious Assault insurance to cover all District employees including Directors with respect to letter bomb exposure is approved; form of endorsement subject to approval of the General Counsel.

Resolution  
No. Assigned

Report of Committee of the Whole - Agenda Item Nos.  
11 through 13 (continued)

---

R-76-364

RESOLVED, that the General Manager is authorized to notify the City of Corona that Line No. 860 service through the City will be discontinued unless subsidy agreement for Fiscal Year 1977 is executed within sixty days.

Showing of Toronto Film

Prior to discussion of Item No. 1 on the agenda, a film showing the development of rapid transit in the city of Toronto, Canada was shown. (Director Price left the meeting at 1:25 p.m.)

Review of Draft Ordinance and Resolution to Board of Supervisors

The Board reviewed a draft ordinance and resolution to the Board of Supervisors declaring and calling and giving notice of an election to be held in the District on November 2, 1976, for the purpose of submitting to the qualified voters of the District a proposition authorizing the levy of a one-half percent special tax for financing rapid transit construction and consolidating said election with the statewide general election to be held on that date.

Mr. Powers reviewed the report dated July 30, together with the draft ordinance and resolution. Following is a summary of suggested changes or questions by the Board with respect to the ordinance, resolution and ballot arguments:

Resolution  
No. Assigned

Review of Draft Ordinance and Resolution to Board  
of Supervisors (continued)

Ordinance:

Top of page 2 change "rapid transit system" to "public transit network" and delete "or limited tax bonds"

Page 3, Section 3(a) delete "other than maintenance and operation of any facilities of the District."

Top of page 5 change "12 consecutive calendar quarters" to "three years"

Can suggested ballot language, page 5, be changed from "Rapid Transit" to "Public Transit"; or could it read "Rapid Transit or Public Transit"?

Page 3, Section 3(a) - can words "or other District purposes" also be deleted?

Other matters:

If election successful, suggested starting date for enactment of the tax is January 1, 1977.

If we go to an election a well thought out plan needs to be presented to the public. Also, can plans be included in the ballot language?

Ballot arguments are limited to 300 words and must be submitted within seventy days of the election.

It is necessary to address ourselves to the fiscal program to operate the system if it is built, and other funding sources looked into.

It would be necessary for a goodly portion of the plan and program to be disseminated through the public information and marketing program, but there are restrictions as to what the public information program can say.

Review of Draft Ordinance and Resolution to Board  
of Supervisors (continued)

Other matters: (continued)

Many alternatives being considered but the proposed tax could provide \$140-million per year as local matching funds and permit construction of almost any one of the alternatives being studied and approximately \$2-billion in construction bonds, including federal allotments.

General Counsel Powers was requested to check the legality of the suggested ordinance changes and to bring back to the Board a draft ordinance and resolution for consideration at the special meeting of the Board on August 17, with copies to be transmitted to members of the Board of ahead of time for review prior to the meeting. Another item which should be included on the August 17 agenda is the matter of whom should be designated to sign the ballot arguments.

Withholding of Official Position on Senate Bill  
2153 (Robbins)

During the course of discussion on the above matters, the subject of Senate Bill 2153 (Robbins) was also discussed. This is a proposal which would provide Proposition 5 funds as local matching funds for the construction of rapid transit facilities in Los Angeles County commencing in Fiscal Year 1977-78, and would place the proposal before the voters at the November 2 election.

Withholding of Official Position on Senate Bill  
2153 (Robbins)

Mr. Stubbs reported the bill was being heard by the Assembly Transportation Committee today, had been further substantially amended but that an amended version was not yet available.

The matters of affect of the bill on local street and highway programs and FAUS funds were discussed. Mr. Norm Emerson, Executive Assistant to Mayor Bradley, stated that the League of California Cities was opposing the bill since the cities feel it will reduce their street and road funds.

On motion of Director Holen, seconded and carried as noted below, the following resolution was adopted:

Ayes: Brewster, Cook, Gregory, Holen,  
Neusom, Richter, Takei  
Noes: None  
Abstain: None  
Absent: Gibbs, Lewis, Price, Ward

R-76-365

RESOLVED, that Resolution No. R-76-272 adopted June 16, 1976 supporting and endorsing Senate Bill 2153, which would provide Proposition 5 funds as local matching funds for the construction of rapid transit facilities in Los Angeles County commencing with Fiscal Year 1977-78, be and the same is hereby rescinded in its entirety;

RESOLVED FURTHER, that this Board of Directors does hereby take no official position on said Senate Bill 2153 until a version of said bill containing up-to-date substantial revisions is available for further review and consideration by this Board of Directors.

(Director Lewis entered the meeting at 2:37 p.m.)

Adoption of Policy for Selection of Private  
Engineering Design and/or Construction Management  
and/or Special Consultants for Rapid Transit  
Project Work

Mr. Gallagher reported that the proposed policy for the selection of rapid transit consultants had been reviewed by the Rapid Transit Committee at its meeting on July 1, following which the proposed policy had been forwarded to various architects, engineers and consulting engineer associations for comments, including the Southern California Minority Architects and Engineers Association. Mr. Olivas and Mr. Gallagher both reported that no comments had been received.

On motion of Director Neusom, Chairman of the Rapid Transit Committee, seconded and carried as noted below, the following resolution was adopted:

Ayes: Brewster, Cook, Gregory, Holen,  
Lewis, Neusom, Richter, Takei  
Noes: None  
Abstain: None  
Absent: Gibbs, Price, Ward

R-76-366

RESOLVED, that the report dated July 28, 1976, a copy of which is filed with the Secretary, with respect to a policy for selection of private engineering design and/or construction management and/or special consultants for rapid transit project work, be and the same is hereby adopted effective August 4, 1976.

(Director Lewis left the meeting at 2:40 p.m.)

Approval of Report and Recommendations on Bus Security

Director Brewster, Chairman of the Surface Operations-Advance Planning & Marketing Joint Committee, reported that the Joint Committee had recommended approval of the report and recommendations with respect to bus security, except that the Committee had recommended that the addition of city, state and federal funding be added to recommendation No. 5 in the report, so moved, which motion was seconded.

Director Holen moved to delete funding from the County of Los Angeles under recommendation No. 5, and seek funding from both the City and County of Los Angeles for additional law enforcement program, which motion died for lack of a second.

Director Takei felt that peace officer status by the District's special agents was not to the District's advantage, but President Cook stated he had talked to several of the special agents and felt peace officer status was advantageous.

Director Neusom moved that the original motion be amended to change the No. 5 wording to authorize the General Manager to request from the County of Los Angeles, City of Los Angeles and other state or federal jurisdictions funding

assistance for the Ride-Along program, which motion was seconded and unanimously carried.

The question was then called for on Director Brewster's original motion, as amended above, carried as noted below, and the following resolution adopted:

Ayes: Brewster, Cook, Gregory, Holen,  
Neusom, Richter  
Noes: Takei  
Abstain: None  
Absent: Gibbs, Lewis, Price, Ward

R-76-367

RESOLVED, that the report dated July 30, 1976, a copy of which is filed with the Secretary, be and the same is hereby adopted, and the General Manager is authorized to proceed with the following activities with respect to bus security, including the preparation of appropriate communications required to initiate these recommendations:

1. Allocate approximately \$50,000 of the public information budget to be dedicated solely to a program designed to inform the public as to the security measures being provided by the District, as well as to promoting a secure feeling on the part of the District riders;
2. Request the County of Los Angeles to provide technical assistance in the District's radio-silent alarm procurement with County costs not to exceed \$100,000 and to negotiate and execute an appropriate contract with the County;
3. Proceed with efforts to improve the flasher light system and the electronic surveillance on buses on a test basis;

Approval of Report and Recommendations on Bus  
Security (continued)

R-76-367  
(continued)

4. Communicate to appropriate parties the District's support of legislation sponsored by the United Transportation Union (UTU) to secure Peace Officer status for the District's Special Agents; and
5. Request funding of approximately \$1,000,000 from the County of Los Angeles, City of Los Angeles, and other local, state or federal jurisdictions, for the purpose of contracting with appropriate law enforcement jurisdictions for the expansion of the Ride-Along Program, and to negotiate and execute appropriate contracts with those jurisdictions;

with form of all documents subject to approval of the General Counsel.

(Director Lewis returned to the meeting at  
2:50 p.m.)

Carried Over to Next Meeting - Report Concerning  
Operation of Carpools on the El Monte Busway

On motion of Director Brewster, seconded and unanimously carried, Agenda Item No. 4, a report dated July 28, 1976 with respect to operation of carpools on the El Monte Busway, was carried over to the next meeting of the Board, with the staff and CalTrans to report back on additional information requested by the Joint Committee, together with a draft agreement which has been mutually worked out between the staff and CalTrans.

On motion duly made, seconded and unanimously carried, Agenda Item No. 26, the Line Ridership Report, was ordered "Received and filed."

Adoption of Resolution Advising UMTA that the Board of Directors has the People Mover Application of the City of Los Angeles Under Serious Consideration

Director Takei reported that the City of Los Angeles was submitting an application to UMTA on August 6 for a demonstration grant on the downtown people mover project, and suggested the Board support the proposal.

It was pointed out that the project had been included as a part of the Alternative Analysis Rapid Transit Starter Line presently under study with a report due within 30 days.

(continued)

Albert Perdon, Transportation Planner with the CRA, and Norman Emerson, Executive Assistant to the Mayor, appeared before the Board urging endorsement of the application; that the study has been underway for several years and has been integrated in the Alternative Analysis.

Director Takei moved to endorse the City's application to UMTA concept in principle, subject to RTD being the operator of the system, which motion was seconded.

The following are the principal points discussed in connection with the matter:

Would the RTD be the operator of the system and would the system be compatible with the Starter Line?

The RTD had endorsed the concept about three years ago and had transmitted a draft agreement to the CRA and the City. It was understood the agreement had been approved by the CRA but not by the Los Angeles City Council.

Would the people mover eventually exclude the District from constructing a subway in the downtown area; also, UMTA was concerned about duplication and this is a matter which should be determined before final action is taken.

City representatives stated it was not possible to wait until September on the Alternative Analysis report, since UMTA was considering 36 cities with three to be selected for possible people mover grants and the City's application had to go in immediately.

The City contemplates local matching funding  
as follows:

\$15.3-million - State Prop. 5  
7.6-million from City } may or may not be  
7.6-million from County) Prop. 5 funds  
7.6-million - revenue bonds, etc.

(Director Brewster departed at 4:20 p.m.)

The District staff had not been furnished  
a copy of the application for review and  
study.

To include the RTD as the operator of the  
system would require additional action by  
the City Council and there was not time to  
obtain that action prior to filing the ap-  
plication.

SCAG and the County Board of Supervisors  
would also be asked to support the appli-  
cation.

Withholding of a decision by the Board  
until its August 25 meeting would be a  
problem to the City, since UMTA is making  
decisions in the next two or three weeks.

The original alignment of the line has now  
been changed from originating westerly of  
the CBD and thence through the Bunker Hill  
area to the CBD to an alignment from Union  
Station to the Convention Center, which  
could conflict with the alignment of the  
Starter Line.

After lengthy discussion, on substitute motion  
of Director Holen, seconded and carried as noted  
below, the following resolution was adopted:
