SUBJECT: Felonious Assault Blanket Accident Insurance Coverage Policy

Attached is copy of abstract outlining bids received covering the District's Felonious Assault Blanket Accident Insurance for a 3-year term commencing July 1, 1970. This insurance covers operating personnel in the event of an assault resulting in death, dismemberment or loss of sight, in a principal sum of \$50,000 per incident.

It will be noted that Marsh & McLennan, Inc. St. Louis is the low bidder with a bid of \$2.50 per year per employee under Class I and \$2.20 per year for Class II employee. The cost of the present policy which was effective prior to the inauguration of the Exact Fare Program was \$2.90 per employee per year for both classes of employees. The annual total cost of the present policy based on the number of employees July 1, 1969, was \$7,180.00 whereas, the annual cost proposed to become effective July 1, 1970 will be approximately \$6,500.

Bids were requested on an annual premium basis with premiums to be paid on each anniversary date. The alternate bid of Marsh & McLennan, Inc. Los Angeles, would require payment of the policy for the full 3-year period commencing July 1, 1970, and is not responsive to the bid invitation. The Staff Purchasing and Surface Operations Committees have recommended that Marsh & McLennan, Inc. St. Louis be awarded the bid as lowest responsible bidder.

Surface Operations Committee:

June 5, 1970

It is the General Manager's recommendation that Marsh & McLennan, Inc., St. Louis, be certified as the lowest responsible bidder and awarded the contract covering the District's Felonious Assault Blanket Accident Insurance for a 3-year term commencing July 1, 1970 at an estimated annual cost of \$6,500, with form of contract subject to approval of the General Counsel.
