1. Received and filed six month progress report.

It was noted that CACAT was on a summer break and therefore not in attendance at this meeting.

There was specific discussion concerning disabled passes, application for and controlling same. Staff is to bring a report to the Committee showing classifications of illnesses that qualify for handicapped passes.

2. Reviewed proposed study on front door versus rear door lifts.

Staff said that goals of the Committee needed to be reviewed prior to proceeding with the actual study.
