1. Recessed to Closed Session at 12:05 p.m. to consider personnel, labor negotiations, real estate and litigation matters returning at 1:55 p.m. with all Directors responding to Roll Call.

2. Report of the President

a. Reviewed benefits extended to employees while on military leave of absence.

Current benefits afforded employees on military leave was reviewed. On question staff said there are approximately 300 to 400 reservists in the District's employ.

On motion of Director Knabe, seconded and unanimously carried with 11 Directors present, the Board APPROVED the availability of benefits to all employees called to active military duty for up to 180 days, including salary less military pay.

Appearance of G. Roberts.

3. Report of the General Manager

General Manager Pegg reported that the operating agreement for Blue Line should be finalized today and will be brought to the Board for approval.

4. Director Special Items

The Board reviewed the General Manager's report dated January 9, 1991, a Status Report on the On-Time Warranty Program. Directors Swanson and Storing made known their concern about the extension of the program without Board approval. Director Swanson asked if any particular lines were noted as being chronically late, or specific geographic areas indicated a pattern. Several directors voiced praise and approval of the program.

5. Report on RTD/LACTC Reorganization.

Director Milner presented the report of the Ad Hoc Committee on Reorganization, a copy of which is filed with the District Secretary. He and Directors Knabe and Jenkins spoke to the report, indicating they are looking for additional input. Director Jenkins noted that the LACTC will attempt to formulate a legislative package to be submitted to Assemblyman Katz.

After considerable discussion, it was decided to hold the matter over for a Saturday workshop. District Secretary Bolen was instructed to contact Directors and set up the workshop as soon as possible.

Many directors indicated a strong opposition to several sections in the report. Precluding the District from collective bargaining rights, line item veto over the RTD budget, and establishment of a subordinate agency to coordinate and operate commuter rail were among those mentioned.
