Prior to recessing into Closed Session, the Board heard public comment from D. O'Malley, representing the Transportation Communications International Union. Mr. O'Malley spoke about savings to the District over the last contract period because the TCU members received less subsidy for their health and welfare benefits. He stated that his members want equality with the other unions. In response to a question regarding that savings and if the unions now wanted a piece of that savings, he indicated the TCU wants parity. Director Patsaouras asked if the TCU wants 'parity' or do they want to 'catch up' with the other unions.

The meeting recessed to Closed Session at 12:15 p.m. to receive a report on the status of labor negotiations. The Board returned from Closed Session at 1:20 p.m. with all Directors responding to Roll Call except Directors Fukai, Knabe, Raggio and Swanson.

President Holen reported that the Board received a report from the Negotiating Team and that negotiations continue with the ATU and TCU.

The meeting adjourned at 1:20 p.m.
