Mrs. Hall said she was continuing to receive support on the issue of funding and the Metro Rail Project from the California congressional delegation.

#### Report of the General Manager

- 7A. Certificates of Merit were presented by United Way representative John Mowad to employees participating in the campaign.
- 7B. On motion duly seconded and carried, received the proposed annual budget for FY 1988.

The General Manager informed the Board that prior to June 25 the budget document would be presented to the Board. Mr. Dyer noted that the document would be based on a 53-week schedule, as opposed to 52 weeks.

During discussion of this document, the Board's attention was drawn to a \$9.5 million shortfall. The following prospects were discussed: adoption of 90¢ fare increase; delay fare increase until January of 1988; severe service reductions during peak hour period; \$9.5 million reduction in the budget itself by eliminating a number of administrative departments such as transit police; and the utilization of farebox revenue to buy local Prop A monies from the cities.

Extensive discussion followed Director Holen's motion that the District seek an exchange of fare box revenues for local Proposition A monies to avoid a fare increase in the coming year, and authorize the President and General Manager to meet with the Los Angeles County Transportation Commission (LACTC) Chairman and Executive Director to obtain the Commission's consent to the District's proposed exchange of Prop A monies.

Hank Ramey spoke in opposition of fare increases.

Report of the General Manager - Cont'd.

Greg Roberts discussed Line 94.

On a call for the question, Director Holen's motion passed unanimously.

Rich Davis briefed the Board on inspections being conducted at various divisions by the California Highway Patrol and referred to the General Manager's report dated May 27, 1987.

[Director Swanson left the meeting at 3:05 p.m.]

General Manager Dyer reported on the Performance Action Plan for April, 1987, and said the District did quite well in seven major areas. Following motion duly seconded and carried, the General Manager's Performance Action plan was received and filed.
