# EXISTING NORWALK TRANSIT SERVICES

Norwalk Transit System (NTS) Fixed-Route has six (6) routes operating in Norwalk and in the adjacent communities of Artesia, Cerritos, Bellflower, Whittier, La Mirada, La Habra, Santa Fe Springs, and the unincorporated areas of Los Angeles County.

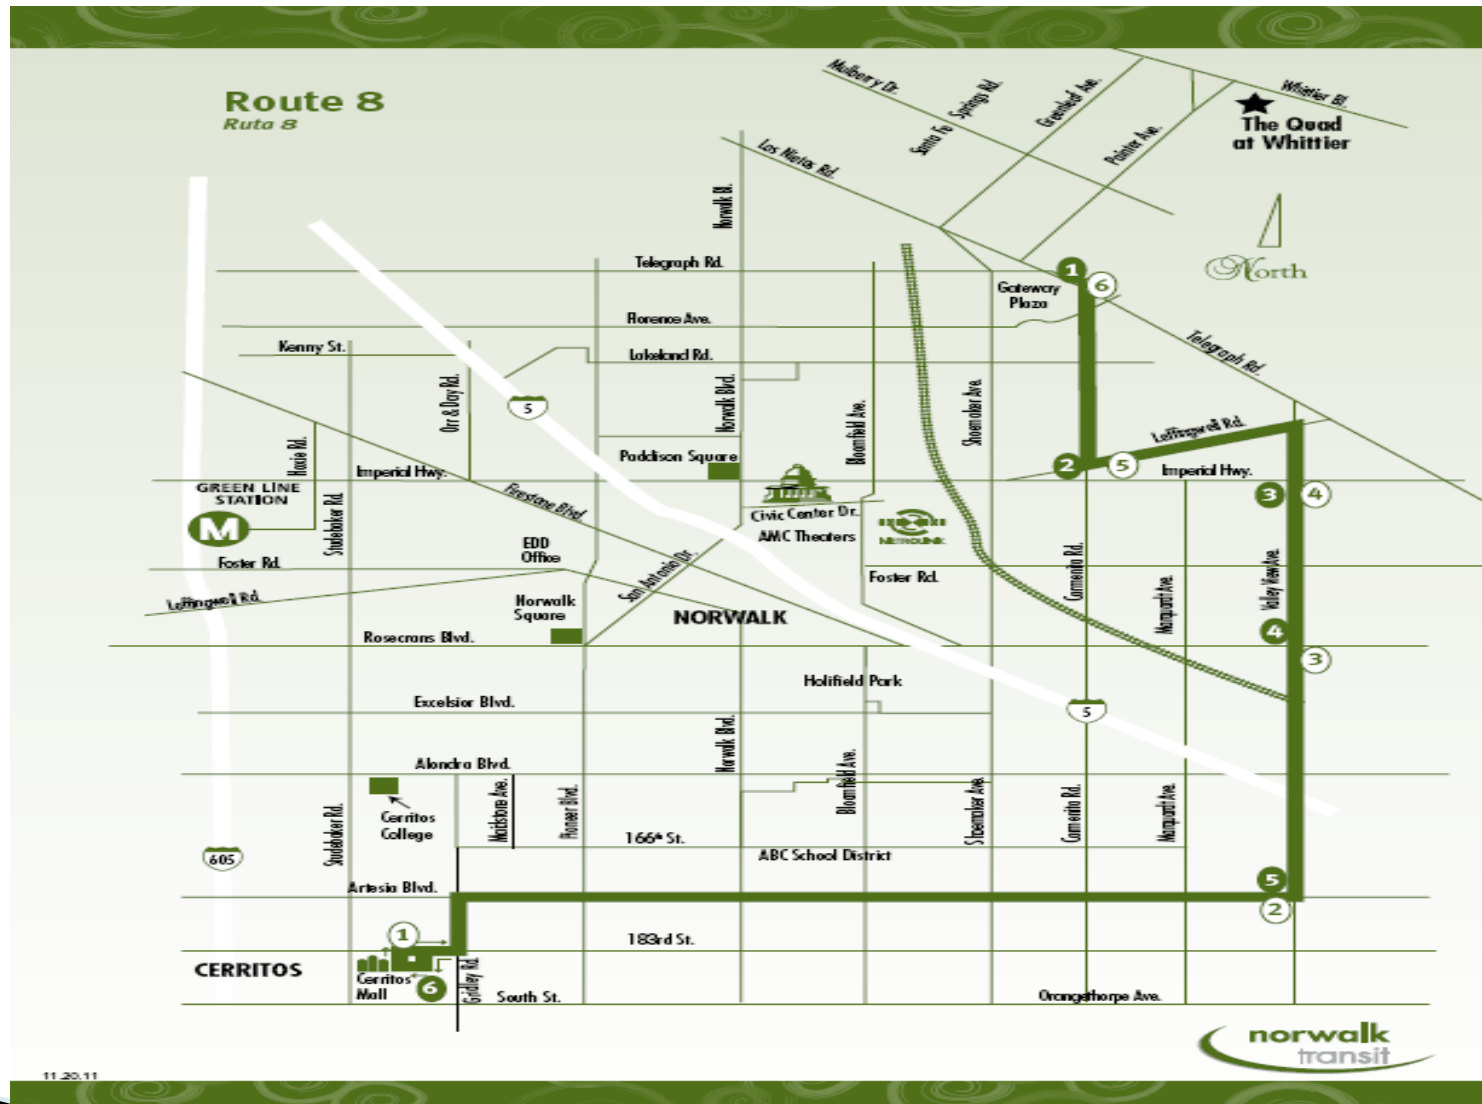

# OVERVIEW

Due to the considerable budgetary challenges relating to the economy, NTS has found it necessary to implement further service reductions and modifications in order to eliminate its operating deficit and improve overall efficiency.

Therefore, NTS staff is proposing reductions and modifications in Fixed-Route services.
