

Minor Route Modifications San Fernando Service Council

March 6, 2013

Metro

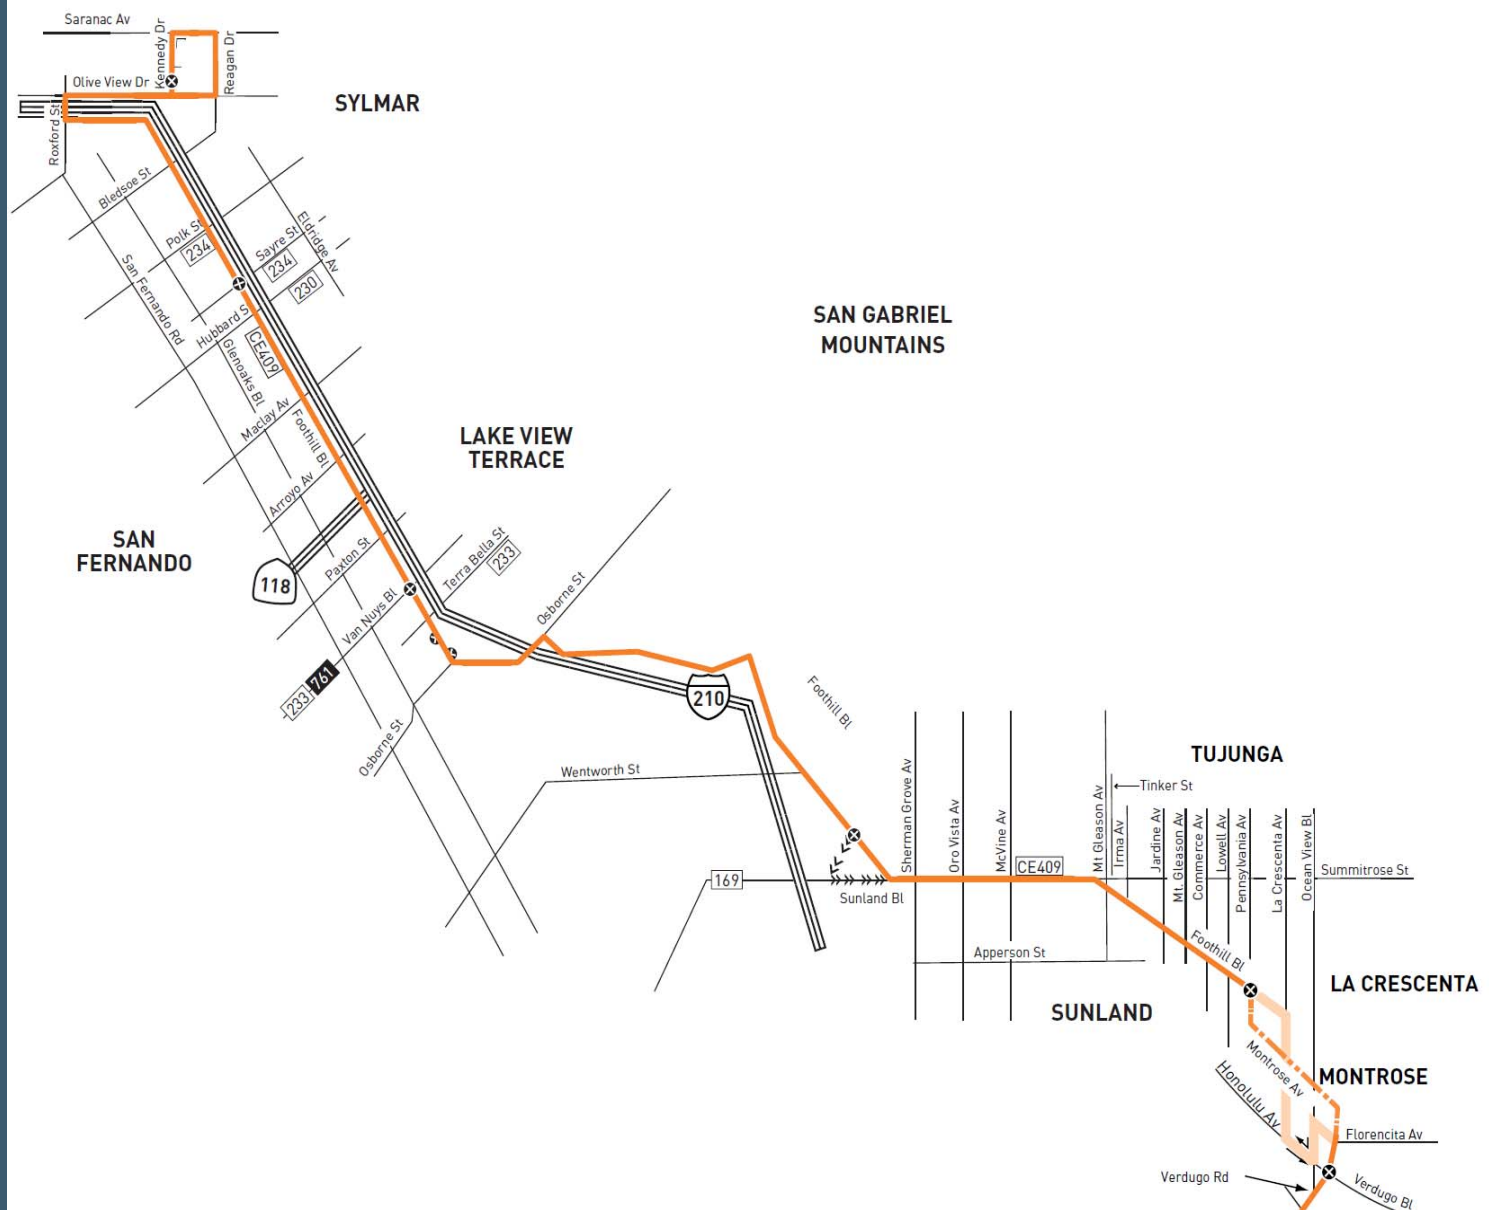

Minor Route Modifications

- **Combine Lines 90-91 and 290 into one line.**
 - Most trips are interlined now on paper
 - Eliminates transfers between the two routes
 - Eliminates confusion.
- **Interline Lines 169 and 222**
 - Streamlines service in the valley – provides a direct connection from Hollywood Bl to Foothill Bl

Minor Route Modification

Lines 90-91 and 290

- Combine Lines 90-91/290 into Line 90-91
- Discontinue service on Bledsoe St and route via Line 224 to Olive View Medical Center
- Serve new Medical Center in westbound direction.

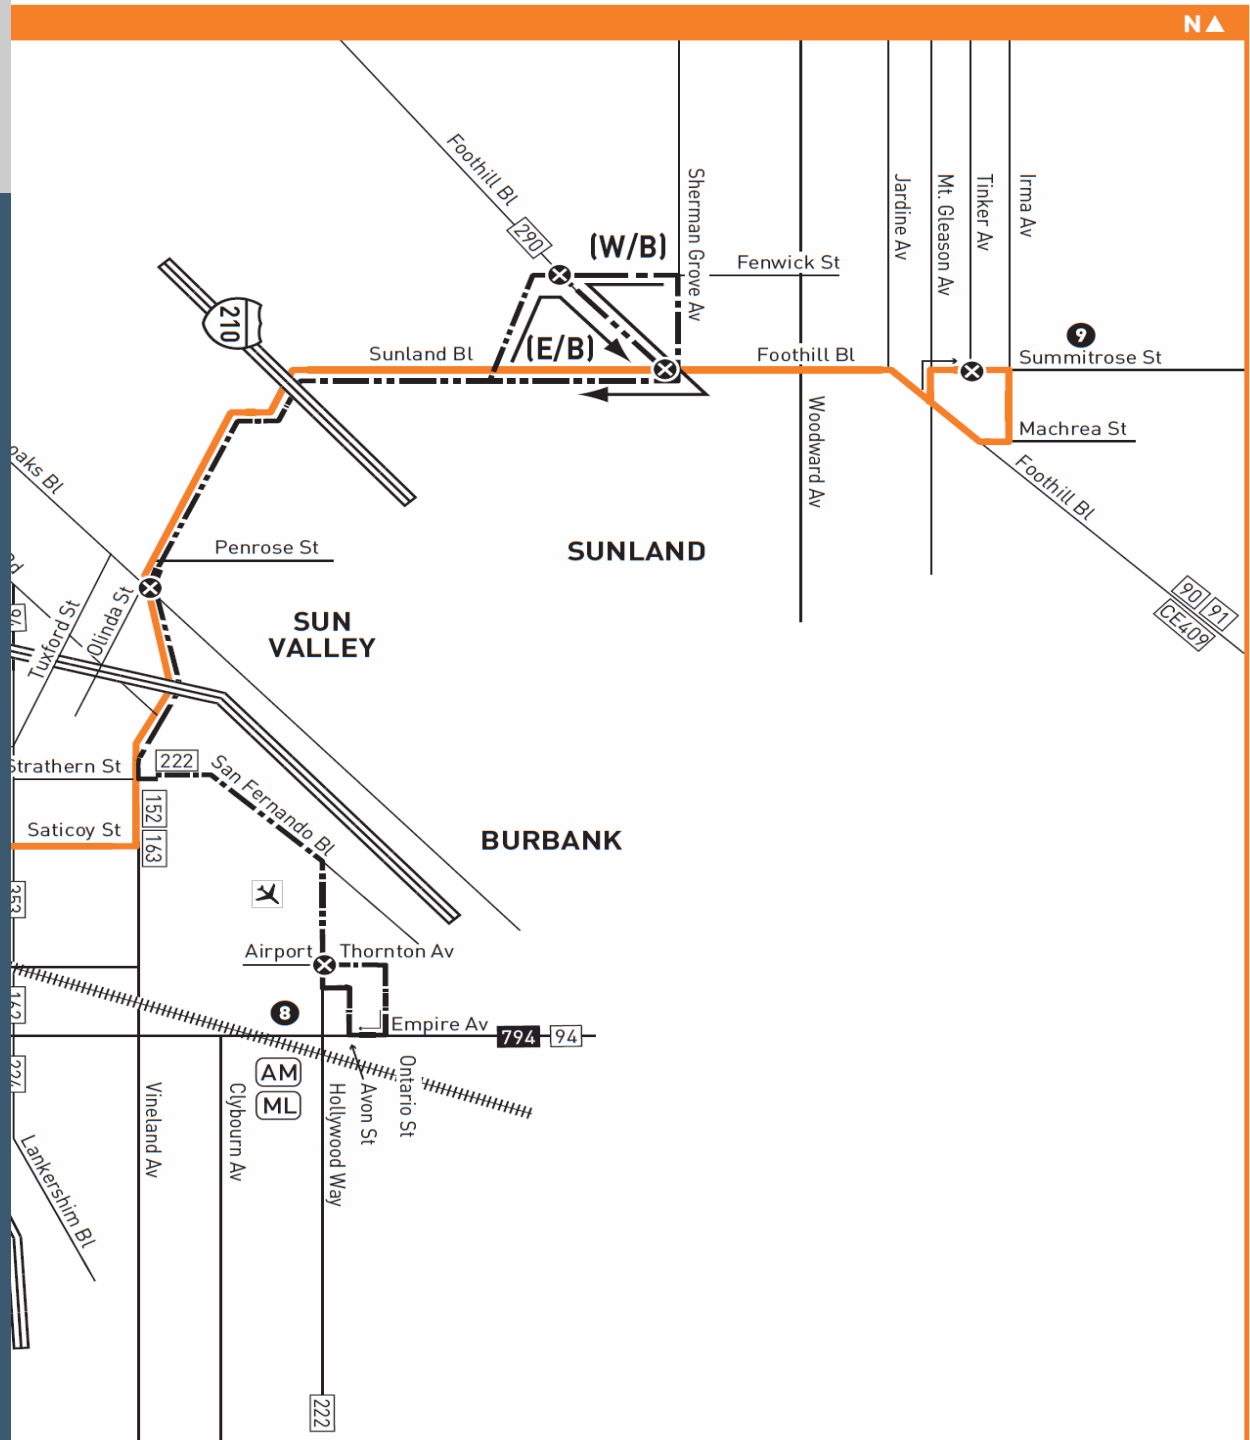

Line 169 Today

Interline Lines 169 and 222

- Currently Line 169 is interlined with Line 90-91 on Saturday and Sunday.
- Line 222 will be interlined with Line 169 on Saturday and Sunday providing a one seat ride from Hollywood Bl to Foothill Bl.
- This proposal streamlines north/south valley service and eliminates Line 222 patrons from having to transfer to continue north to Sun Valley, Sunland, and Foothill Bl services and destinations.
- Scheduling staff will coordinate the services at Foothill Bl to minimize wait times.

Next Steps

- These interline proposals will be implemented with the June service changes.
