

Update on New Valley-Westside Express Service

Valley - Westside Express

-  Media event took place Friday, December 12, 2014.
-  Running time and ridership have been and will continue to be monitored for future adjustments.
-  Ridership on Valley-Westside Express, excluding holidays, is approximately 1,640 daily boardings.
 -  590 SB AM Peak
 -  520 NB PM Peak
 -  530 non-peak directional boardings
-  Additional AM/PM peak buses have been added to Line 734 to meet demand.
-  Due to the holidays, a full month of operation is needed to obtain solid data needed for further review.
