Update on December Service Changes

December Service Changes

- Orange Line will be scheduled to operate three minutes faster as a result of free running time assessment.
- Begin implementation of 15-Minute Network
 - Lines 90/91, 164, 165
- Regular schedule maintenance to improve schedule reliability and passenger loading standards
- Implement Line 501 changes as approved by the Board
 - 12 minute weekday peak
 - 45 minute all day weekends
 - Widen span of service by up to 30 minutes.
- Maintain service hours status quo per FY17 Budget
