## Metro Silver Line – Proposed Service Enhancements on the El Monte Busway from El Monte to Downtown Los Angeles and Artesia Transit Center

- Additional trip each peak hour in both AM and PM peak periods – the existing 5.5 minute peak period frequency will be improved to approximately every 5 minutes on the El Monte Busway.
- Saturday frequency improved from 40 minutes to 20 minutes to Artesia Transit Center.
- Sunday frequency improved from 60 minutes to 30 minutes to Artesia Transit Center.

## NEXT STEPS

- Discussion
- Approve findings of February 13, 2012 Public Hearing
- Approved Changes to be Implemented June 2012 or Later
