SGV Service Council August 2012 Meeting

Next Steps

- a) Review of service levels and ridership by route segment and time of day
- b) Consider conversion of Rapid trips to local when Rapid service is less frequent than 15 min.
- c) Consider adding local service if Rapid service is reduced
- d) Review better service coordination with local transit providers
- e) Review how new El Monte Station impacts ridership and interaction with other bus lines
- f) Return in December as part of Workshop
