Assumptions made:

- Scheduled times examined were 5 p.m. – 9 p.m. to allow at least 1 hour prior to a 6 p.m. hearing and 1 hour after conclusion (up to 8 p.m.) of hearing for set up and clean up
- Locations were ruled out if they would not be available during the entire block of time or if staff was unable to obtain response regarding availability and pricing by July 8th
- Transit option times are rounded for comparison purposes; trips are assumed to be of the same frequency or more frequent prior to 8 p.m.
