METRO WESTSIDE/CENTRAL GOVERNANCE COUNCIL
June 13, 2007

SUBJECT: DECEMBER 2007 SERVICE CHANGE PROGRAM PUBLIC HEARING

**ACTION: SET PUBLIC HEARING DATE FOR PROPOSED DECEMBER 2007
SERVICE CHANGES AND AUTHORIZE PUBLICATION OF THE
NOTICE OF PUBLIC HEARING**

RECOMMENDATION

- A. Schedule Wednesday, August 8, 2007 at 5:00pm as the hearing date and time to receive public comment on the proposed service changes to be implemented in December 2007.
- B. Authorize publication of the Notice of Public Hearing (Attachment A).

BACKGROUND

A Notice of Public Hearing is scheduled for publication on Sunday, July 1, 2007. Service changes will be considered on the following lines and routes.

- Line 38-71 (WLA Transit Terminal - CSULA via Jefferson Bl - City Terrace Dr)
- Line 68-368 (WLA Transit Terminal - Montebello via Washington Blvd. - Chavez Av.)
- Line 728 (Downtown LA - Century City via W. Olympic Blvd.)

In compliance with federal public hearing requirements and adopted MTA policy, the Governance Council is required to conduct a public hearing and consider public testimony before approving significant modifications to the bus system. As part of this process, the Governance Council is also required to consider potential impacts these changes may have on the community.

The changes are proposed to improve the efficiency of bus operations within the sector, and to ensure a balanced budget for next fiscal year. In an effort to move forward with projects that will improve service quality and increase operating efficiencies, staff proposes to initiate the service changes contained in the public hearing program as early as December 16, 2007. The proposed Westside/Central changes are consistent with the Los Angeles Transportation Authority's (LACMTA) Metro Connections Program. The changes proposed are part of a broader service improvement program designed to improve travel times, simplify routes, and reduce service duplication.

The Notice of Public Hearing (Attachment A) gives the time, date, and location of the public hearing and a brief summary of the changes under consideration.

SUMMARY OF STAFF PROPOSALS

The proposed Westside/Central service plan includes modifications to four routes and implementation of one new Rapid service. Following is a brief description of the individual proposals.
