As you know, yesterday, the Assembly Transportation Committee considered AB 2995 (Kuykendall) relative to MTA Board composition. Director Fasana testified on behalf of the MTA. The Kuykendall bill was approved by the committee on a vote of 8-2. Even though the bill was approved, Assembly Transportation Committee Chairman, Larry Bowler, indicated that he would hold a Special Assembly Transportation Committee Hearing on all legislation dealing with MTA Board composition within the next 2 to 3 week period. Attached is a synopsis of yesterday's vote.

The bill, which was double referred, will now be considered by the Assembly Local Government Committee on April 24, 1996. MTA Government Relations staff will notify all Board members when the Special Transportation Committee hearing is scheduled.

Should you have any questions regarding this bill, please contact Gary Clark at (213) 922-2226 or Claudette Moody at (213) 922-2232.
