

MTA LEGISLATIVE BRIEF

TO: BOARD OF DIRECTORS

DATE: July 2, 1996

FROM: RAE JAMES

- A conference Committee, this afternoon, approved SB 457 (Kelley) relative to Intercity Rail. The bill will now be forwarded to the Senate floor for approval. The MTA is opposed to the bill.
- Amendments which permit the Los Angeles County SAFE to install call boxes on selected County roads were successfully amended into AB 3020 (Bowler) which subsequently unanimously passed the Senate Transportation Committee.
- AB 2495 (Margett) relative to MTA Board composition has still not been heard by the Senate Transportation Committee. Staff will immediately notify the Board once the Senate Transportation Committee takes any action on the legislation.
